## **DETAILED ACTION**

This application contains claims directed to the following patentably distinct species of the claimed invention:

The species are as follows:

---

Specie 1 - Fig. 1, Specie 2 - Fig. 1A, Specie 3 - Fig. 1B, Specie 4 - Fig. 2, Specie 5 - Fig. 5, Specie 6 - Fig. 6, Specie 7 - Fig. 7, Specie 8 - Fig. 6, Specie 9 - Fig. 8, Specie 10 - Fig. 9, Specie 11 - Fig. 9A, Specie 12 - Fig. 12, Specie 13 - Fig. 15, Specie 14 - Fig. 15A, Specie 15 - Fig. 13, Specie 16 - Fig. 11, Specie 17 - Fig. 16, Specie 18 - Fig. 27B, Specie 19 - Fig. 28A, Specie 20 - Fig. 27A

Applicant is required under 35 U.S.C. 121 to elect a single disclosed species for prosecution on the merits to which the claims shall be restricted if no generic claim is finally held to be allowable. Currently, none of the claims are generic.

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added. An argument that a claim is allowable or that all claims are generic is considered nonresponsive unless accompanied by an election.

Upon the allowance of a generic claim, applicant will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim as provided by 37 CFR 1.141. If claims are added after the election, applicant must indicate which are readable upon the elected species. MPEP § 809.02(a).

Should applicant traverse on the ground that the species are not patentably distinct, applicant should submit evidence or identify such evidence now of record showing the species to be obvious variants or clearly admit on the record that this is the case. In either instance, if the examiner finds one of the inventions unpatentable over the prior art, the evidence or admission may be used in a rejection under 35 U.S.C. 103(a) of the other invention.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Larisa Z Tsukerman whose telephone number is (703)-308-6038. The examiner can normally be reached on Monday through Friday from 8:30 am to 5:00 pm.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Paula A Bradley can be reached on 703-308-2319. The fax phone numbers for the organization where this application or proceeding is assigned are (703)-308-7722 for regular communications and (703)-308-7724 for After Final communications.

Any inquiry of a general nature or relating to the status of this application or proceeding should be directed to the receptionist whose telephone number is (703)-308-0956.
